

Lumière

is looking
for a

Waiter/ Waitress

Lumière Restaurant Café is located in the old power station of the former Sphinx factory in Maastricht, a monumental building in the up-and-coming Sphinkwartier neighbourhood. At our restaurant, we serve lunch, drinks, and dinner seven days a week. Customers visit us for a quick bite before a movie or spend the whole night enjoying a three-course meal. Working at Lumière means working in a dynamic and inspiring environment.

As a waiter/waitress you are the face of Lumière. You are the first person our guests see and you make sure they leave feeling happy. The waiter/waitress we are looking for has at least one year of experience. Besides great colleagues, a good salary, and your share of the tip jar, as an employee of Lumière you also get free access to all movies that play at Lumière.
